

Big Thank you

Dear sponsor partner and friends

Your love, support and prayer for us is mean so much and I would love to say that Thank you.

Today is the second day of Leadership Bible Seminar lead by Pastor Timothy and the Leader of COSBT, we have lean a lot how to break the curses from generation and put God is number one in life.

After Khmer New Year Holiday, all the children are coming back safety with joy and happy face, some children are telling me that this year of holiday they were visiting their grandparents and family, they also say that they been sharing the Love of God upon them and say that how much god is loving them.

This month I was traveling a lot to orphanages, many hours driving in the care from one City to villages, thank God the road is good we can see every where is development, and I have meet a lot of friendly people in the villages and saw me that all of there is need Jesus love, there are more children orphanage who are the

parents died, and now cared by the neighbor, they are living with faire no hope, working very hard, has no education, seem to live day by day.

From Kg Chhnang orphanage about 10 km there is a family Mother and 4 children live in a small house on the neighbor's land, this family the husband died by HIV and the Mother live with HIV virus and care for 4 children age 2 years old to 14 years old. This mother is telling me this. She said:

My husband died of HIV and I also has HIV, I have not brother and Sister I am an orphans, my parents died in Poll Pot time, I do not have any property every day the is World Food Program give me rice every months. I want to send my children to live in orphanage and I am going to stay in Phnom Penh Hospital, but I have to think first.

What is done

KS

Finished the clean water system and built the roof of water tank

KK

Finished the clean water system and built the roof of water tank

Completed the Boy dorm renovation and painting

KC

Finished the clean water system and built the roof of water tank
