

About to Harvest

From the High way to Orphanage I have taken the cultivator with Banteay Meanchey Orphans.

The children are so enjoy traveling on this cultivator so much, this cultivator they are using for transportation and do the farming, to plow the field for rice planting and bring the rice back to the orphanage. this year the Banteay Meanchey orphanage have plant 16 hates of rice field, and they are expecting that to get over 50 ton of rice in this harvest coming that mean can over provide them for a year.

The children are making the things for catching the fish for support food, more than that they are making thing more to fine fish, and planting the vegetable

I have brought a set of computer along with me to Banteay Meanchey Orphanage. Phouek Chamra is the youngest of Ps, Sinai Brother he will select the children and teaching them as the courses.

The older boys children are woke-up 5am to praising and worship the Lord at the boy building

The 19 older girls are wok-up 5am to praise, worship and praying at the girl building

They are praying for 1- for their **good heal**, 2- **wisdom in the school**, 3- **pray for the leaders of the orphanages**, 4- **pray for their sponsor to be good heal and God bless them**, 5- **pray for the neighbor**, 6- **pray for the nation**, and they say thank for the Lord blessing and provide them daily needs.

Every
Friday 7pm they have pray meeting
Saturday 7pm they have Bible study
 and Sunday is Church and Youth service

Please Pray for

- 1- Two more set of Computer cost \$500 for this orphanage, they really enjoy to have the computers.
- 2- Pray for one new Motto bike cost \$850 for Brother Moum use to buy food at the Town Market.
- 3- Pray for Phouek Chamra is the English and Computer teacher has \$20 per month more of his budget. As he has start more duty.
- 4- Pray for sewing machine for fixing clothe for the children \$70

Thank you so much for your prayer with your prayers the children get BLESS
