

Fellowship Word of Life Church

Heart4 Cambodia

December 2009

Establishing the Kingdom of God in The Kingdom of Cambodia

Our Ministry focusing on Evangelism, Leadership Training, and Church Planting.

Fellowship Word of Life Church

Vision Statement

“A Church reaching out and transforming the Lost for Christ ”

Mission Statement

“ Reaching out to the Community, Interceding for one another, planting Church and releasing members into Ministry. ”

What is the Fellowship Word of Life Church Doing?

That's what you'll find when you visit our service. But one thing you should expect in any Fellowship Word of Life Church is a personal, uplifting worship experience. Our services are geared for participation. We typically worship as we live, with enthusiasm.

Children Care: This love comfortable atmosphere helps show children at earliest ages that church is a good place to be. Child care also frees parents for worship and reduces distractions.

Children Worship: Special Bible oriented activities are often provided for Sunday school. At this level young children are taught to sing, pray, memorize Scripture, and learn important Bible truths. They are instructed and led in worship.

Our Church always provide a place and ways, not only to worship and receive, but also to work and to give for others.

RAISING UP A GENERATION FOR CHRIST

We have a wonderful time with youths from Singapore during the Youth Service in our Fellowship Word of Life Church. They're all having fun and we're so glad by spending time with them. You can see these picture: we worship together. No matter we are different but One God, Jesus Christ.

Children Outreach at Kompong Cham Province

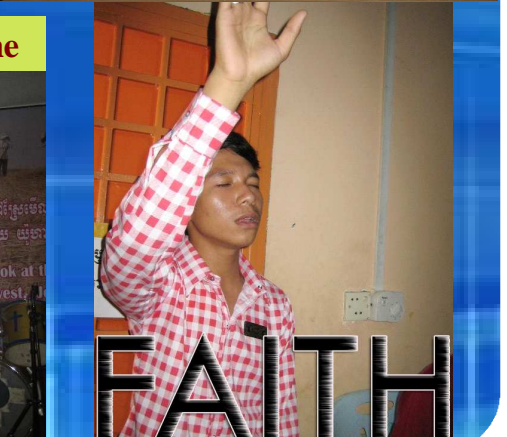

We believe the next generation of missionaries in Cambodia will be the Cambodians themselves. For this reason, we place a special emphasis on ministering to and equipping children and young adults. Regardless of the area of ministry, our overall goal remains the same: to bring the life-giving, life-saving message of our Lord Jesus Christ to the people of Cambodia.

Church Planting Movement Meeting on December 5, 2009

Saturday Morning Worship Service / Bible Study & Quiet time

P.O.Box 1680 Phnom Penh, Cambodia

God is still doing great things in Cambodia. The church are being planted in provincial villages, people are being saved, delivered, disciple and trained as leaders.

Children and women team are practiced songs for Christmas Celebration, upcoming on 20 December, 2009 at FWLC

Offering encouragement songs

Ps. Sinai's leading communion

Warm welcome for a new comer

Praise & Worship / Quiet time with God

Prayer Points

- Pray that there will be a powerful anointing on our ministry and our Christmas outreaches this month that will be reach up to more people with the Gospel.
- Pray for creativity for FWLC, NHO & SEAPC staff and leaders as they find ways to reduce poverty and build sustainable churches.
- Pray for Pastor Sinai's family for provision and protection.
- Pray for SEAPC-C and school teachers at BC.
- Pray for Pastor Vanna for wisdom & health. Pray for Luke for finances for his education 400\$ for one year.
- Pray against strongholds of corruption, immorality and gambling that exist in Cambodia.
- Pray for someone with IT skills to train and partner with our Cambodian IT manager.
- Pray for someone with web design skills to train our Cambodian staff and manage our website.
