Please pray about how you can further partner with this life-changing ministry.

Only what's done for Christ will last, so winning souls and changing lives is all that really matters.

ON THE HORIZON...

Hello from Cambodial!

First of all; on behalf of all of the staff, volunteers and orphaned children at NHO, we just want to say thank you. Thank you for all that you have done, all that you are doing and all that the Lord will equip and enable you to do in the near future. We thank the Lord daily for you.

The past year has been amazing. NHO has been blessed in many areas and so many projects both small and large were started and completed. Others are in the process. All of it from the Lord, thru you.

We understand that the world is facing some economic concerns, but our God is BIGGER than that. We know that we can not worry, we can only keep on running the race.

International Hope's Primary School is in need of expansion. An increasing and growing educational need in this district requires expansion of the premises.

In partnership with the Cambodian government, and the ministry of education, International Hope School has been granted a license to start a secondary school (grades 7-8). Praise the Lord for the opportunity to reach out to the community in such a way as to start a secondary school on the premises!

However, the neighboring property is too expensive. We have prayed about it and have decided to expand the school

We are HOPE based and New Hope for Orphans is looking for NEW Hope on the horizon.

We are fervently praying for our new location in Phnom Penh. We must move from our current location when the lease is up in June 2009. The monthly rate will triple at that time and we simply can't afford to sign into another contract. We know that the Lord is going to supply a new place for the Orphans; we believe and trust in Him to meet their needs.

There is no need to keep putting money into renting when we could buy a piece of land for the same amount of a 3 year home lease, and it would be something that NHO would have for the children indefinitely.

Our God is faithful and abundantly rich. We are praying that the Holy Spirit would speak to the Body of Christ; to pledge prayer and finances for a piece of land and the development of it. Please pray about the Orphan's NEW Hope; the Hope Home in Phnom Penh.

Here is a photo of one of the pieces of land that we have been looking at and praying for:

GROWING PAINS CAN BE A GOOD THING...

and the Orphanage at the same time. We will convert the Orphanage building into part of the school structure, and build the new Orphanage not too far down the road.

These growing pains are part of a needed process, a need to increase our educational outreach to the community, and the need to prepare for more Orphan children at the Kompong Spue Children's Home.

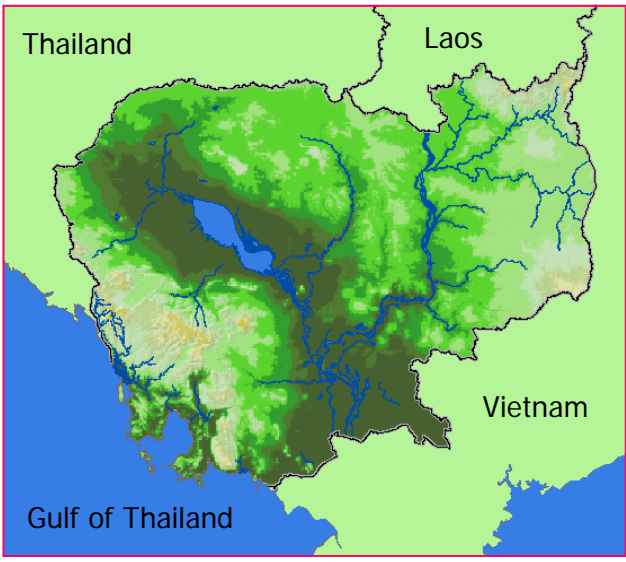

We are also praying for a Center in Battambang. An area heavily laden with landmines and other unexploded ordinances.

For years we have seen it as

a place where Hope is needed, and now we know the Lord wants Hope there. We are led to open a new Church there, as well as an Orphan Home, Dormitory, Vocational Training Center and Bible School.

Our vision of growing pains doesn't stop at Phnom Penh and Battambang. We are also led to build and open a New Orphan's Home in Kra Lanh, near Siem Reap. The Orphanage will be built at one of our sister Churches. The need for Orphan housing and care is really needed in this area. If the Lord's will, only the Body; your Hope and Charity will reign it all in.

Population: Estimated at 14,795,500

Land Mass: 69,900 sq. miles. Slightly smaller than Oklahoma State.

House Parents' Staff Training

At NHO, we are currently caring for nearly 280 orphaned children and the number continues to rise. Because of this, we are dedicated to regular staff training to meet the children's growing needs (pictured left).

We are working in partnership with Cambodian Christian School Network

and SEAPC, Church of Singapore - B.T., Taiwan International Church - TIC, International Hope School, Hope Transition Center just to name a few. But thru God; all of the work and progress stems from the Home Churches, from the members, from YOU. Please pray for our needs; first the **CHILDREN**, then the **STAFF & VOLUNTEERS**, the **SUPPORTERS**, the **CURRENT NEEDS**, then the **FUTURE NEEDS**. And let the fruits of our prayers be shown thru the action of our faith.

Praying for this Land in Battambang

WHAT WE BELIEVE

1. We believe in the Holy Trinity; God the Father, the Son and the Holy Spirit.
2. We believe the Bible is the Word of God, verbally inspired and wholly without error in all that it says, and therefore is the supreme and final authority for faith and life.
3. We believe that Jesus Christ is the eternal Son of God, Who is also the Son of Man.
4. We believe that the death of Jesus Christ on the cross made atonement for the sins of the world, effective for all who repent and believe.
5. We believe in the bodily resurrection of Jesus Christ, which insures the resurrection of all believers who have received God's gift of eternal life.
6. We believe that man was originally created in the image of God, that he fell into sin first through Adam, and that he is responsible for all sin that causes him to be separated from God and lost eternally.
7. We believe that Jesus Christ will physically and visibly return to earth for the second time to establish His Kingdom.
8. We believe that the Holy Spirit dwells in all who receive Jesus Christ as their Lord and Savior.
9. We believe that all Christians are called to live in the world and do good works here, but are separate from it.
10. We believe that Christians are called to witness for Christ and to preach the Gospel to all the nations.

Just for Laughs

Thought you might enjoy this pic that I took of some local children riding their bicycle near the Bantey Meanchey Orphanage (Thai border). May the Lord be warmed by your heart, and yours by Him.
