

## **Mark Geppert BIO**

Mark Geppert is the President and founder of the South East Asia Prayer Center, which is committed to changing lives through prayer, channeling resources into humanitarian projects, raising up prayer teams which will penetrate unreached people groups in the nations and nurturing new ministries through affiliation all over the world. The four platforms of the ministry are: Parenting, Education, Health, and Micro-Economics.

Mark has taught Prayer Walking Seminars, Businessmen's Micro-Economic Kingdom Principles, and Team Building Seminars to leaders in Latin America, Asia, Australia, Africa, Europe, and throughout the United States of America. His radio and television experience has made him noted as a "master communicator." Mark has over 35 years of international experience in over thirty countries and has authored four books. The first, The Attack Lambs, has over fifty thousand copies in print and is in translation for ten languages. Mark is ordained through Elim Fellowship of Rochester, New York, has served on the staff of several churches in the United States, and has established and pastored the English speaking congregation of the Church of Singapore (Bukit Timah). He is currently teaching, networking, overseeing, and inspiring existing projects and new avenues for sustainability and evangelization. Go to [www.seapc.org](http://www.seapc.org) for details.
