Bringing Hope

Through RAISING KIDS, SEAPC Global Sponsorships, you can become a child sponsor.

Savlin,
New Hope Children's
Homes, Cambodia

"If you extend your soul to the hungry and satisfy the afflicted soul,

Then your light shall dawn in the darkness, and your darkness shall be as the noonday."

Isaiah 58:10

The Need is Great.

Every day, around the world, thousands of children are in desperate living conditions. They may be alone because their parents have either died or abandoned them, leaving them to find their own food, shelter and clothing. Others have parents who are unable to provide for their needs due to disability, mental illness, lack of employment, etc.

Some of these children starve to death. Some become trapped as slave laborers or in sexual prostitution. Others turn to crime and living on the streets. Some work very hard each day to obtain a little bit of money for food. Very few of them are able to attend school. They live a life without hope.

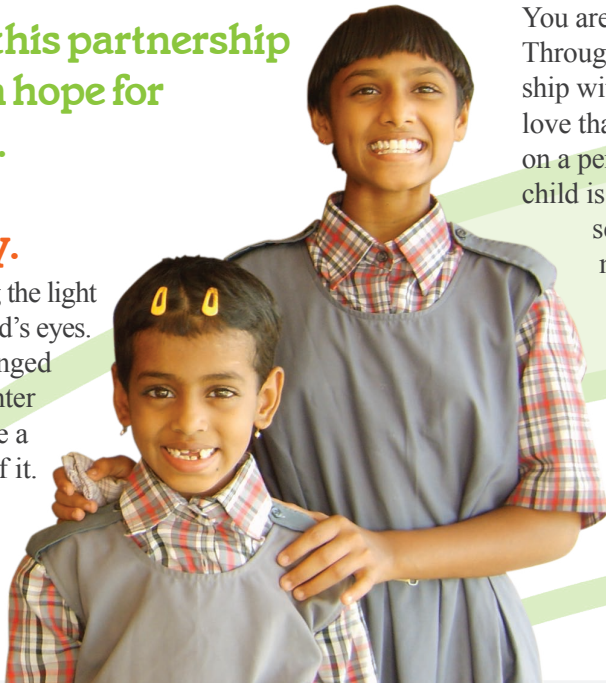

SEAPC has joined with different ministries to form partnerships for purpose, helping children in need. Through these partnerships, children receive shelter, food, clothing, education*, medical care, loving nurture from Christian caregivers and the opportunity to develop a personal relationship with Jesus. They receive the hope and help they need for a brighter future.

You can join this partnership to bring them hope for \$40 a month.

Sign up today.

Have the joy of seeing the light of hope come to a child's eyes. Their life will be changed towards a much brighter future and you will be a very important part of it.

* Education costs are separate in India.

When you send us your sponsorship request...

We match you up with a child in need. An informational packet will be sent to you with your child's photo and profile. Also included is information about the country in which your child lives, about the local ministry providing your child's care, information about SEAPC and about sponsorship. Your child will be told who you are and know that you care about them. The children then pray for you, just as you are praying for them.

As the sponsorship continues, you will continue to receive:

- **Updated information** about your child and the ministry caring for him/her
- **News and information from the local ministries** on the SEAPC website (www.seapc.us)
- **Miscellaneous photos** and news information about daily life on the SEAPC blog site (www.seapc.us/blogs).
- **Regular informational sponsor email** to all sponsors who have given an email address, providing an overview of news, prayer requests and some photos.
- **Updated photo(s) and hand-written letters** from your child 1-2 times per year.

You are encouraged to write letters to your sponsored child. Through letter-writing, you can develop a personal relationship with each other. As the child grows and matures, the love that you share with them will show the love of Christ on a personal level. You can be secure in knowing that your child is receiving the benefits of all that you give. SEAPC sends 100% of the sponsorship donation to the local ministry to provide for the child's care. SEAPC administrative expenses relating to child sponsorship are covered outside of the individual sponsorship funds. SEAPC is a registered 501c3 organization and all sponsorship contributions are tax deductible.

Please send your contribution and/or sponsorship request to SEAPC/Raising Kids, PO Box 127, Oakmont, PA 15139. Make checks payable to: **SEAPC, Memo: Raising Kids.**
