Strategic Teams Seminar ~ Date, Place, Time

In this seminar you will learn how to define the purpose, value, image, goals, roles, and support structures necessary for your business plan to succeed. Using time proven principles of the Word of God, this seminar equips the participant to grow the dream into a mission and to develop human and mission resources to accomplish specific goals. Empower your team to shorten supply line and increase profitability.

Attack Lambs Seminar ~ Date, Place, Time

Author Mark Geppert teaches the prayer-walking principles detailed in his book *The Attack Lambs*. This seminar has taught thousands of people bold strategies to combat forces of darkness and essential disciplines to do effective spiritual warfare. You'll identify the pressure points that can change a city or nation. Every city has one, including yours.

Bridges ~ Date, Place, Time

This seminar teaches you to put into practice the "how to" of accountability, obedience and direction. You will master the Trust Formula and learn how to form a "Life Circle". For those frustrated with vision and no resource, you'll learn about Spiritual, Financial, and Human Resource Development Plans. Mark Geppert, author of *Bridges* and president of South East Asia Prayer Center, communicates with 25 years of radio, television and international experience to carry you where you want to be.
